2023-2024 UC San Diego Health PGY1 Pharmacy (Acute Care Focus) Residency Supplemental Application -

Start of Block: Block 1

Q1 Thank you for applying to the UC San Diego Health PGY1 Pharmacy (Acute Care Focus) Residency Program. As the final step in your application process, please provide answers to the supplemental application questions on the following pages.

Q2 First Name

________________________________________________________________

Q3 Last Name

________________________________________________________________

Q4 E-mail

________________________________________________________________

Q5 The Supplemental Application continues on the next page. It contains five open ended questions designed to understand more about your past experiences beyond what is available to us within your application packet, and to answer questions that would normally be asked in interviews in order to disseminate your responses to interviewers and save our time and your energy during interviews.

Press the arrow below to proceed to the Supplemental Application

End of Block: Block 1
Q6 Why is UC San Diego Health a good choice for your PGY1?

______________________________________________________________________________

______________________________________________________________________________

______________________________________________________________________________

______________________________________________________________________________

Q7 These are the UC San Diego Health Core Values: Caring, Creativity, Integrity, Teamwork and Quality.

Choose one of our Core Values and describe a time when you demonstrated that characteristic and what you’ve learned from the experience

______________________________________________________________________________

______________________________________________________________________________

______________________________________________________________________________

______________________________________________________________________________

Q8 Tell us about a time when you faced barriers to success in your lifetime and how you overcame them

______________________________________________________________________________

______________________________________________________________________________

______________________________________________________________________________

______________________________________________________________________________
Q9 Pick any item on your CV (work experience, presentations, projects, publications, etc) and expand upon your involvement, responsibilities, and how it impacted practice or impacted you.
