Please complete the cover page AND attachment for the chosen area of nursing excellence and submit together.

Candidates should be nominated for ONE component area only.

All applications must be typed.

Additional pages may be attached to the application form.

All applications must be signed by the applicant’s unit manager/leader.

There is no limit to the number of nominees per unit or department.

Applications must be received by Margarita Baggett’s Office by March 11, 2016 via email mgjackson@ucsd.edu

Note: Unit recognition is no longer integrated into the system wide Nurse of the Year selection process but may continue separately as desired by unit staff and leadership.

Nurse of the Year Nomination Form
Empirical Outcomes

Nominee’s Name: ________________

Please describe how the nominee has contributed directly to the following MAGNET Sources of Evidence under Empirical Outcomes.

1. Describe the nominee’s contribution to a project that was implemented using evidence-based practice to improve quality of care in the unit, department or health system.

2. Describe examples of the nominee acting as a change agent using evidence as basis to initiate practice change that promotes the healing environment and feeling cared for.

3. Describe the nominee’s contribution in conducting research or implementing research findings to improve stellar outcomes.

4. Provide at least one example about how the nominee is a role model exhibiting caring behavioral support of the healing environment.

5. Describe any other evidence of Empirical Outcomes not included in questions 1-4.
