Please complete the cover page AND attachment for the chosen area of nursing excellence and submit together.

Candidates should be nominated for ONE component area only.

All applications must be typed.

Additional pages may be attached to the application form.

All applications must be signed by the applicant’s unit manager/leader.

There is no limit to the number of nominees per unit or department.

Applications must be received by Margarita Baggett’s Office by March 09, 2018 via email mgjackson@ucsd.edu

Note: Unit recognition is no longer integrated into the system wide Nurse of the Year selection process but may continue separately as desired by unit staff and leadership.

2018 UC San Diego Health
Nurse of the Year Nomination Form
Structural Empowerment

Nominee’s Name: ____________________

Please describe how the nominee has contributed directly to the
following MAGNET Sources of Evidence under Structural
Empowerment.

1. Describe how the nominee demonstrates participation in shared
governance. Examples may include participation on unit based or
hospital wide committees, councils, or taskforces.

2. Describe the nominee’s commitment to teaching and professional
development. This area includes formal education, pursuit of
advanced degree or certification, attendance and/or presentation
at unit based, local or national conferences or other educational
endeavors.

3. Describe the nominee’s efforts in the area of teaching and
professional development. Examples may include formal roles
such as teaching in didactic or clinical areas, precepting,
mentoring, in-service presentation, etc.
4. Describe how the nominee demonstrates participation in caring for the community and community involvement. Examples include volunteering within or outside of the organization, advocacy, etc.

5. Provide detailed descriptions and specific examples of how the nominee contributes in directly addressing one or more of the strategic priorities of the organization resulted in stellar patient outcomes.
Nursing Strategic Plan Areas of Focus

- **Patient Experience**: Give each patient/staff member a positive and memorable experience. Provide an example of a project that fosters and/or improves patient and/or staff experiences.

- **Clinical Excellence**: Provide high-quality and safe care for every patient, every time. Provide examples of a project focused on improving patient care and safety (for example: CAUTI, CLABSI, HAPU, Falls, Mobility)

- **Performance Excellence**: Be accountable to each other and to those who depend on us. This includes a project that: support accountability, foster collaboration at the unit level and beyond, develop and expand nursing leadership, and/or improve efficiency.

- **Growth**: Provide and coordinate more care for more people both locally and regionally. This includes projects that address community needs, encompassing volunteer work and teaching that support the health of our community
