Since 2000, UC San Diego Health has expanded its footprint to include a variety of new specialty facilities and increased our capacity to serve patients from San Diego and beyond. The La Jolla Family House will play an integral role in extending our reach to provide whole-person care to our visiting patients and supporting their loved ones.

*With your gift*, the La Jolla Family House will offer families a warm and welcoming retreat during their time at UC San Diego Health. This new facility will strengthen our efforts to create a healthier world — one life at a time — through new science, new medicine, and new cures. Extraordinary patient care for everyone is at the heart of our vision, and we look to philanthropic supporters to help us extend our reach and better serve our community.

Together with your philanthropic support of the La Jolla Family House and the Campaign for UC San Diego, we have the ability to significantly impact the future of health care so that we may provide patients and their families with the very best experience for years to come.
