

Directions to Athena Parking Structure

Parking Details:

Located on the bottom half of the map you see a red 'P' symbol, representing Athena Parking structure. The structure is located just North East of Moores Cancer Center. A parking attendant will be waiting at the entrance of the parking structure with your parking permit. Moores Cancer Center is located across the street from the structure, as can be found on the map above.

Directions to Athena Parking Structure from the 5 Freeway:

Exit Genesee Avenue and head east (away from the ocean). Continue through several traffic lights and turn right onto Campus Point Drive. Pass Voigt Drive at the traffic signal and at the stop sign turn left. Continue on a right turn and the entrance to Athena parking Structure will be on your left.

Directions to Athena Parking Structure from the 805 Freeway:

Exit at La Jolla Village Drive/Miramar Road. Turn west onto La Jolla Village Drive (towards UTC Shopping Center). Turn right onto Genesee Avenue. Continue through several lights and turn left at Campus Point Drive. Pass Voigt Drive at the traffic signal and at the stop sign turn left. Continue on a right turn and the entrance to Athena parking Structure will be on your left.
